LATENT PRINTS
Supplemental Report
10/12/2012

Agency: Austin Police Department

Laboratory #: L1207087

Offense Number: 2012-1800523

SUPPLEMENTAL REPORT

Item(s) Submitted:

PCT Aston 6215 previously submitted one latent lift card (LIMS item # 15), and two digital images (LIMS item # 16).

Items are as follows:

15.1: "exterior ammo box (lab item 3)"

16.1 and 16.2: "lab item 5 side of AR-15 magazine"

Analysis Request:

Detective Vineyard 3024 made a verbal request on 10-11-12 to have a new set of ten prints (taken by the U.S. Marshals Service) associated with Michael Jayne W/M, DOB: 3-19-82 FBI# 647396NB4, be compared to any latents on file in this offense.

Analysis Results:

Comparisons revealed that the impression on item 16.2 was made by the left ring finger of Jayne.

Item 15.1 was not identified to Jayne.

Item 16.1 is a duplicate image of 16.2 and was not compared.

Supplemental Note:

Refer to my initial report for details.

Disposition:

The latent lift card and digital images will be retained in the Latent Print Section files, and supporting documentation will be scanned into LIMS.
